

APRIL, 2018

Just before Luis and I left for New York to resolve medical issues, we were honored in a ceremony that takes place once a year in our province. It is a ceremony that recognizes people who have donated their time to teaching and helping youth in various areas. For us it was a recognition for our ministry with the youth in baseball, emphasizing the importance of good character and teaching Biblical values to the kids and their families.

Below are some pictures taken when they spoke of our work and presented us with a plaque commemorating our service to the province. The plaque was a big surprise to me. I had no idea about it. I also did not know that the evening would be such a big event, with speeches, music, folk dancers, and more. And the press was there, too!

The beautiful plaque

Luis and I want to thank you for praying for my health and possible further surgery. Fortunately, it was decided that I did not need it, and hopefully I will not need it in the future. We are now eager to begin preparing for our ministry projects for this year and the next years, as well.

We are deeply grateful for your support in so many ways, not only in prayer, but your financial support, and encouragement. Thank you so much. *Love, Luis & Julie*
